

SMART LENDER APPLICANT CREDIBILITY FOR LOAN APPROVAL  
TEAM ID :PNT202TMID29739

## About Us

This project is used to automate the loan eligibility prediction for the customer as the cost of assets is increasing day by day and the capital required to purchase an entire asset is very high. So purchasing it out of your savings is not possible. The easiest way to get the required funds is to apply for a loan. But taking a loan is a very time consuming process. The Application has to go through a lot of stages and it's still not necessary that it will be approved. To decrease the approval time and to decrease the risk associated with the loan we have created this project

## VIEW PROCEDURE

### 1. Check the eligibility criteria

- Maximum age to apply is 21 Years, not exceeding 65 years at the time of loan resume
- You must be Indian resident and citizens
- You must have necessary documents required for the personal loan along with duty filled and signed application form

### 2. Check interest rates and other charges

- The interest rates offered by Bank vary based on the borrow's credit worthiness, amount and tenure of the loan and other factors.

### 3. Calculate your EMI

- EMI calculators help to calculate the monthly EMI to be paid on the loan. This calculation depends on the total loan amount, interest rate and tenure
